FRESH. LOCAL. SEASONAL FOODS.
Enjoy Idaho's Harvest with a CSA Farm Share.

Reserve your farm shares now and enjoy a steady supply of Idaho-grown produce, protein, dairy, and other locally crafted foods throughout harvest season.

Community Supported Agriculture (CSA) connects you directly to local farms and ranches. When you invest in a CSA, you provide producers with essential support at the start of the season and in return, you receive a share of freshly harvested, locally grown or raised food throughout the season. Each CSA is different—some offer weekly, bi-weekly, monthly, or even one-time shares, giving you flexibility to choose what fits your lifestyle.

Idaho CSAs offer more than produce. Depending on the farm, your share might include grass-fed meats, farm-fresh eggs, artisan bread, wildflower honey, seasonal flowers, mushrooms, and more. Each share is a reflection of Idaho's diverse agricultural producers.

Joining a CSA brings more local food to your table while supporting Idaho's farmers, ranchers, and food crafters. It's more than just a meal it's a connection to your community and an investment in Idaho agriculture.

Idaho Preferred is a program of the Idaho State Department of Agriculture dedicated to identifying and promoting Idaho food and agriculture products.

From fresh fruits, vegetables, and meats to fine wines, craft beers, specialty foods, forest products, and nursery plants—Idaho Preferred showcases what's grown, raised, and crafted in Idaho, while sharing the stories of the agricultural producers behind it all.

To find local products, just look for the blue and gold Idaho Preferred label at your grocery store, farmers market, favorite restaurant, or local nursery.
