Idaho Preferred is a program of the Idaho State Department of Agriculture, dedicated to identifying and promoting food and agriculture products grown, raised, or crafted right here in Idaho. From fresh fruits and vegetables to meats, wine, beer, spirits, eggs, honey, nursery plants, trees, and more. You can easily discover a variety of local products using the Farm + Food Finder on Idahopreferred.com

Eating fresh, locally grown, raised, and crafted products and buying plants acclimated to Idaho's environment not only assures freshness and quality, but also supports local farmers, ranchers, and communities.
